President's Report

The 2019 season is fast approaching the end of the home and away season with our League, Reserves and Colts all currently sitting inside the top 5. Our Women's team have notched up a couple of wins to see some reward for all their hard work. They are a young side and continue to learn and work hard each week.

We wish all teams and their coaches all the best for the rest of the season and ask you all to get behind them in any way you can.

Our Major Raffle is drawn this Sunday August 11th so don't miss your chance to win an AFL Grand Final Package for 2. There are only 450 tickets available. Tickets are \$50 and are available online at www.raffletix.com.au/?ref=zpzb4

This is a major fundraiser for the club so if you can purchase a ticket and share the link on social media it would be greatly appreciated.

The return of the Peter Butcher Cup back in June was a great day for the Club which was capped off that night with some fantastic live music from Double Trouble. If you missed this band be sure to check them out when they return to the Club later this month.

Many people have already put in numerous volunteer hours in various ways to help the club operate on a day-to-day basis as well as on game days. Thank you to those people and please continue the good work you are doing. With half of the season gone it is worth asking what each of us has done to support this club to make it even better.

Have you taken up the challenge to contribute more? Could you become more involved in YOUR club? There are plenty of roles awaiting you so just ask and we will welcome you aboard. Become a member (if not already) or encourage others to join, support Friday night meals and bring others with you, support upcoming club events...all the little things that will help improve this club.

Club membership is growing but we still need more of you to sign up and all players are also required to do this. Have some ownership in your club by purchasing a membership and make sure we are a strong club on and off field. Thanks!

August is a busy month for club functions including our 60th Anniversary Gala Dinner which we are all looking forward to. Thanks to everyone who has been involved with the preparations for this event and it promises to be a fantastic evening!

Coaches Report

The coming challenges: embrace with enthusiasm and excitement.

In our previous newsletter we were coming off a great first round of fixtures and looking forward to the mid-season challenges.

The start of the second round thus far has thrown some challenges our way. In general, the team has been applying themselves to the challenges but with lapses throughout the different stages of the game is impacting the final results. We have had some very close results, the positive is that we have been in every game, hence not a lot needs to change. The main thing is to maintain a positive mindset, Our Best Is Good Enough.

We have been able to give Jake Ireland a league debut, which he will always be able to remember. Jake was playing well until he received an injury that ended his day and has since seen him miss 4-5 weeks with a finger injury. What we did see with his debut, is that he is very capable of playing at the league level.

Our Reserves have been in good form recently, they have been very workman like. They appear to be building, which is exciting for the coming weeks. Look forward to their game against HBL.

Our Colts have been working manfully over the past month, they have been depleted with injuries but are starting to get their full list back together.

Hopefully they can get their season back on track to have a good crack at a finals campaign.

Recently we had the Landmark Carnival for the men and women, we had a very good representation in all the teams. We had very positive feedback from the league in how well everyone performed and behaved. We also had players get selected in all-star teams and represent at country state level. Well done to all involved.

Over the coming weeks we as a club have some great games ahead of us all. We all need to embrace these times with enthusiasm and excitement.

Come along and cheer on the Red and the Blue.

We would like to say a BIG thankyou to those of you who have helped us so far this season. None of what we have accomplished would be possible without the contributions made by you.

Thank you to all our officials out on the field, all the players who have helped in the canteen and all those in the training rooms.

Thank you to everybody who has helped on the grounds before, during and after the game.

You are all such an important part of our club and we extend our deepest gratitude!

Volunteers are so important to a successful club!

Our volunteer membership is only \$20 and gives you all the same as a full (non-player) membership.

The Eaton Boomers are always looking for help in a variety of areas;
