Presidents Address

It is that exciting time of the year again when the football season is underway. Our coaches and players have worked hard during the pre-season sessions and it has been an impressive start to the year during the first two rounds with our League, Reserves and Colts recording strong wins against Collie and Carey Park. Our Women's team continue to work hard and, with several first-year players still getting used to the game, a win won't be too far away.

I have mentioned previously that volunteers are the lifeblood of clubs like ours. We are still looking for people to take on some of the many volunteer roles we need. There are many game day roles that need to be done to ensure our games run smoothly. There is also help required in the canteen or behind the bar (current RSA required) so if you are able to lend a hand, even for half an hour, please let us know. If we all can share the load it will save us from burning people out if the same people continue to do these jobs every week.

Are you an Eaton Boomers supporter? Why not show your support by purchasing a club membership for the 2019 season.

Visit www.eatonboomers.com.au and follow the membership link or call into the Eaton Sports Club. By becoming a member, you not only get the wonderful opportunity to become involved in the atmosphere and the friendships that we have around the club, but it also makes the club financially stronger which is a vital aspect to keeping our club alive. Player memberships are now also due.

A great feeling continues within our player group. We have an enormous amount of depth and young talent coming through our ranks and I am confident we can look forward to the remainder of the season with great anticipation.

Coaches Report

ALTHOUGH each season brings with it fresh hopes, burning questions and new faces, the 2019 SWFL season promises to be an exciting one.

When looking at the prospects of our club Eaton Boomers, our supporters should be excited.

The squad looks considerably different from year's past. There are still our senior group Lilly, Page, Scott, Jas, Jetta, and the younger brigade that started to show some positive footy in 2018 in Kings, McCosker, Salmon, Greenwell, Humphries, Scott, Thompson. Throw in a successful Reserves and Colts squads that had finals experience.

Our preseason training program had a focus on lifting our standard of training and application to the game, instilling good behaviors to our younger squad that will stand them in good stead for future seasons as well as this one. I thought this was evident in our pre-season hit out against HBL. Although going down by 5 goals, we were able to look at and develop our younger playing group. I was happy

with how we played and how they continued to be running well at games end.

With the season now upon us. The 2019 SWFL seasons looks like it is going to be a tight season, with every game a big one. There will be ups and downs with our young squad, but, there will be exciting times throughout 2019. Our overall focus will be continual improvement and development of our standards and behavior.

For those of you that have not been able to attend one of our games thus far, our exciting attacking game style has certainly been on display. The way all teams have approached the season with their attitude and behavior has been outstanding. This has been reflected in our results with all grades having very good wins.

The start to our season has been an exciting start.

Hope to see you all throughout the year.

Eaton Boomers Netball

Eaton Boomers Netball Teams in 2019 will continue to meet on our clubs' objectives. We take ownership of the direction of our club by being inclusive and exposing our young talented athletes to an elite level of competition. We have secured the very qualified and successful Head Coach Aroha Tamatea, she has the expertise and knowledge in netball aiming to provide quality coaching, a supportive environment and great leadership.

Our dress presentation was a special event. Our team captains were announced, and it was an opportunity to acknowledge and publicly thank our 2019 sponsors. Once again, we have had major support from CCR Group, Athletes Foot and Piacentini and Son. Our sponsors financial support has been vital to provide our players with the best equipment, uniforms, bags, warm up and training shirts. We will be looking to purchase more equipment for the future seasons ahead and hope to introduce a Masters team in 2020.

Joining our Open team this year we have the 2018 U18's SWNFL MVP Kasey Joy. Kasey is stepping up to the big league, alongside Giaan Evans, our youngest player, who is showing a lot of promise.

Mid courter, Elleanor Yates has made the move to Eaton and we are excited to see what her on court leadership skills can bring to the team.

Chantal Hansen returns to SWFNL after a year off to focus on Coaching. Katrina George has come from Kalgoorlie and joins her husband at the club who plays football in the league team. Rochelle Dodd's joins the team whilst also being involved at development level with our juniors. Stability to the team has been upheld with our returning players, Jess Knight, Narelle Alstad and Natasha Firth.

A gruelling preseason has seen us well prepared for the 2019 season. Our teams were itching to play the first game after two consecutive byes for the firsts two rounds. We took to the court for the first time in 2019 in Round 3 against Carey Park. Boomers were determined to match the intensity that Carey Park historically brings to the court the team showed huge promise and will only grow stronger as the season progresses. After an intense battle, Carey Park stole the game during the third quarter with the end resulting in a 6-point win to Carey Park. Our Reserves team has had a 2-point loss in a close game against HBL and then had a convincing win against Carey Park in Round 3. 16's are working hard and have had some challenging games early in the season, they are gaining experience, skills and knowledge after each game and continue to grow together as a team.

Overall the season has started well, we come well prepared and are ready to work hard on the court for each other and our club, we are gearing up for a successful season!
