President's Report

2019 has marked 60 years of the Boyanup Capel Dardanup Football Club Home of the Eaton Boomers and on Saturday 15th August we celebrated this occasion with a Gala Anniversary Dinner held at the Eaton Sports Club. Those in attendance were treated to some great memories and history of the Club provided by some of our Life Members, a beautiful meal and then were able to rock the night away with live music from Masterplan.

Thank you to Rhi Lilly, the organising committee and everyone who helped set up for all your hard work in putting the night together it is greatly appreciated. We welcomed three new Life Members to our great Club on the night – Jenny Scott, Craig Gray and Phil Napoli. The amount of time, energy and work these people have put into our Club over many years is amazing and they are all thoroughly deserving of their life membership. Congratulations to you all!

We also welcomed another new Life Member as Matt Scott bought up game number 150 on Saturday 24th August to achieve this honour. This is a fantastic effort by Matt and the boys were able to come away with a win against South Bunbury to mark the milestone.

A tough season has come to an end for our Women's team but the way they have stuck together and continued to improve each week has been fantastic and is a credit to everyone involved. They are certainly an integral part of our Club.

Good luck to our Colts, Reserves and League for a successful upcoming finals campaign. This is what you have worked hard all year for!

For those who did not attend our Gala night I thought I would share my speech with you to acknowledge the many wonderful contributions over 60 years...

Tonight, is about celebrating our Club, where it has come from and what it has now become as well as acknowledging the many tireless volunteers who have helped build this Club over the last 60 years. When I look around this room, I see many people who have helped to make our Club what it is today. I'd like to thank each and every one of you for your contribution.

Changes in any organisation are inevitable and the Boyanup Capel Dardanup Football Club has undergone a lot of changes over the last 60 years. Many of these changes will be outlined later in the night as we run through the history of our Club. We've come a long way from the days of old wooden change rooms in Capel and Boyanup and a 44-gallon drum wood heated for hot water to these magnificent facilities we have today thanks to a \$3million State Government Grant and Club contribution. What has not changed, however, is the Boyanup Capel Dardanup and Eaton Boomers spirit and the dedication of the volunteers who ensure the Club continues to operate.

Sport is a great leveller – it teaches us many things. It teaches us about hard work, respect and teamwork. It teaches us about adversity, but it can bring us overwhelming joy – like when your team wins a game on the final siren (or when you beat South Bunbury in a grand final). It creates lifelong friendships but most importantly it's about having a place where men and women can get together and play Australian Rules Football for the team we love – the team of the Red and the Blue.

Thank you to all of our members, past and present, who have been part of the Boyanup Capel Dardanup Football Club journey over the last 60 years. The Club's journey is not yet finished and for many the journey has only just begun.

Coaches Report

United We Conquer

The qualifying rounds are now completed, we are now preparing ourselves for the next set of challenges. With the finals now here, it's all about getting our list healthy and ready to go for what is looking like an exciting finals campaign. We are now ready for our next set of challenges.

Our recent games have been against the top half of the ladder and we have applied ourselves to the challenges very well with some close results and a couple of big wins. The past month of football has been a great lead up into finals. Having played the top half of the ladder has prepared the group for what you would expect for finals football. With finals are here and our best is good enough.

In recent weeks we have had some of our younger guys achieve their first of many milestone games. The most recent being Karl Collard, Brandon Gregory, Nathan McCosker and Jarrod Humphries having all played or will be playing their 50 club games. While Mat Scott played his 150-club game and in any one's language it's a fantastic achievement. To achieve these types of milestones it takes a lot of commitment and effort and support. Well Done Scotty.

The Reserves have had a great season by finishing third and have put themselves in a very good position to have a real good crack at this year's finals.

With the Colts, they have continued to work manfully over the past month and starting to get back some of the guys from injuries. With a finals campaign now

here you now need to put your best foot forward. One thing we know with finals anything can and will happen, let's take it.

With our league women's team, the past 4-6 weeks the endeavor and enthusiasm that you have brought to your game and the club has been fantastic, continue your love for the game.

Over the coming weeks we as a club have some great games ahead of us all. We all need to embrace these times with enthusiasm and excitement.

We as teams and playing groups need to be united as one, we celebrate the spoils of our successes and our losses together.

Come along and cheer on the **Red** and the **Blue**.

Brett Maguire
League Coach

Eaton Boomers Netball

What a netball season it has been!

Early in the year the club secured and welcomed Aroha Tamatea as the Head Coach, and following that insightful decision we have not looked back.

High expectations were held after completing a gruelling pre season. Now at the end of the fixtured rounds we can affirm our teams have fulfilled the clubs vision for a successful 2019 SWNFL season.

Building on previous years and gradually growing stronger and displaying real potential, in turn has seen us bond as a club and created that competitive culture we are ultimately aiming for. Playing with confidence in each other and trust within our teams, Eaton Boomers Netballer's are strong contenders in this years finals. The Ressies have finished minor premiers and the Open team finishing the season in third place. Both teams will now head towards semi finals.

This is the first season in history, for our club, to have two of our teams in the running for finals and both teams are real contenders. All finals games, including the grand final are being held at our home ground at ERC. Please come down and support us as we forge towards being 2019 Premiers.

Thank you to Eaton Boomers Football Club, Eaton Netball Association and our generous sponsors, with your support we were able to make our 2019 season a successful one.

Our Boomers teams running a training session for the Eaton Netball Association Representative teams, giving back!

Volunteering

A huge thankyou to everyone who has helped in some way so far this season. None of what we have accomplished would be possible without the contributions made by you. We still require roles to be filled during the finals so if you are able to offer any assistance that would be greatly appreciated!

Thank you to all our officials out on the field, all those in the training rooms and all the players who have helped in the canteen. Everyone who works behind the scenes to ensure that preparations for match days (on and off field) are complete and everyone who helps out before, during and after the games.

You are all such an important part of our club and we extend our deepest gratitude!

Volunteers are so important to a successful club!

Our volunteer membership is only \$20 and gives you all the same benefits as a full (non-player) membership.

The Eaton Boomers are always looking for help in a variety of areas;

- Event Planning and Preparations
- Bar service on game days and club events
- Set up / Clean up on game days
- Game day officials
- Canteen helpers

“Every person can make a difference, and every person should try”
